THE LARGEST COLLECTION OF ADMINISTRATIVE JOBS ON EARTH

AdminCrossing Now Offers More than 20,000 Jobs!

February 11, 2008

Pasadena, CA — AdminCrossing, the Internet's smartest and most effective administrative professional job board, now offers its users more jobs than ever before at over 20,000 available jobs, making it the internet's leading site for finding the best jobs in the administrative industry. With thousands of new jobs added every week, AdminCrossing is the unbeatable source for matching personal goals with the best opportunities on the market.

AdminCrossing is a unique job board—bringing together jobs from employer websites and job boards, rather than traditional job boards which rely on employers to post jobs. It presents jobs gathered from employer websites, printed newspapers and ads, and other online resources. In addition, AdminCrossing does not charge employers to post jobs on the site, an advantage that increases job selection significantly.

The job board costs users \$29.95 per month (with a free seven-day trial before the fee takes effect), which also provides access to more than 25 of EmploymentCrossing's other industry-specific job boards. Users who are still in school can also access the website for free. Students may obtain their school's promotion code from their career centers to sign up for their free accounts.

AdminCrossing also brings users the most pertinent news and discussion topics in the administrative field. Each week, articles are posted that address the industry's most current trends and happenings, as well as the job-search tactics of administrative professionals.
