## **BlueCollarCrossing: The Internet's Dynamic New Job Board**

Date : 08-27-2007

Pasadena, CA,—Searching for a blue-collar job? Don't know where to look? [BlueCollarCrossing.com](http://BlueCollarCrossing.com), the Internet's smartest and most effective blue-collar job board, is the perfect place for you!

What does BlueCollarCrossing have that makes it so unique? A driven staff dedicated to finding jobs from virtually every company website and newspaper imaginable as well as organizing those jobs to make it easy for employment-seeking professionals to find the open positions that best match their unique goals and interests.

With BlueCollarCrossing's staff of hundreds of highly experienced researchers extensively monitoring the hiring needs of more than 250,000 employers across the country, countless new jobs are added to the site each and every day. And since the jobs listed on the site are specific to the blue-collar industry, job seekers can enjoy faster, more targeted job-search experiences.

In addition to providing an extensive range of job listings, including exclusive notices not posted on other employment sites, BlueCollarCrossing features a variety of articles that tap into the blue-collar industry's key players, companies, and stories.

This groundbreaking website is affiliated with EmploymentCrossing ([www.employmentcrossing.com](http://www.employmentcrossing.com)), the main hub for a growing family of industry-specific job-search sites that launched on April 9, 2007. Currently, job seekers can visit EmploymentCrossing to sign up for BlueCollarCrossing's services.

The EmploymentCrossing group of websites is also on the fast track to rapid expansion, with even more Crossing sites launching weekly. The site will focus exclusively on providing the most extensive range of available jobs from every corner of each sector. Watch for EmploymentCrossing's upcoming launches, which will include AdminCrossing (August 27), ComplianceCrossing (September 3), DesigningCrossing (September 3), PublishingCrossing (September 10), JournalismCrossing (September 10), RadioCrossing (September 17), TVCrossing (September 17), TelecomCrossing (September 24), GovernmentCrossing (September 24), InternshipCrossing (October 1), and EntryLevelCrossing (October 1).

The development of the Crossing employment sites was inspired by the success of LawCrossing ([www.lawcrossing.com](http://www.lawcrossing.com)), which features the largest collection of active legal jobs in the world, including more than 10,000 positions at top law firms, corporations, public interest organizations, and government offices throughout the U.S.

Since its launch in July 2003, LawCrossing has become the world's largest legal-career-placement website. The website is another brainchild of Barnes, who also founded the hugely successful parent company of the Crossing employment sites, Juriscape, in 2000.
