THE LARGEST COLLECTION OF COMPLIANCE JOBS ON EARTH

3,000 Jobs and Growing at ComplianceCrossing

February 25, 2008

Pasadena, CA — In just one month, ComplianceCrossing has jumped from 2,000 job posts to more than 3,000, making ComplianceCrossing the fastest growing job-board site in the world!

“This kind of growth should prove one thing to viewers: that ComplianceCrossing is the place to come to find their dream job,” said CEO A. Harrison Barnes. “And because we’re growing monthly and weekly, their chances of finding a job are exceedingly high.”

Indeed, the site is expanding at a phenomenal pace — just last week, over 600 new jobs were added to the site, including positions for compliance specialists, financial review and compliance specialists, program analyst lender compliance officers, air compliance positions and many, many more!

With this kind of growth, viewers can feel confident when perusing the extensive database of compliance jobs. Can’t find a job today? Come back again soon — more jobs will have been added in the meantime, making the chances of finding a job better and better with each passing day.

The inspiration behind it all has been the tremendous success of LawCrossing (www.lawcrossing.com), which features the largest collection of active legal jobs in the world, including more than 10,000 positions at top law firms, corporations, public interest organizations, and government offices throughout the U.S.

Since its launch in July 2003, LawCrossing has become the world’s largest legal-career-placement website. The site is a brainchild of Barnes, who, in 2000, founded EmploymentScape, the hugely successful parent company of LawCrossing. LawCrossing’s team of more than 300 staff members monitors the hiring needs of more than 250,000 legal employers throughout the U.S. and worldwide. LawCrossing counts tens of thousands of law students, attorneys, and legal staff professionals as members.
