

EDUCATIONCROSSING™

THE LARGEST COLLECTION OF EDUCATION JOBS ON EARTH

EducationCrossing Presents the Widest Collection of Educator Jobs Available Online.

January 16, 2008

Pasadena, CA—Now educators from all sectors of the education field can visit one job board to view *all* of the most sought-after career options. For teaching positions from preschool to K-8 and from high school to higher education, professionals can search by keyword and location to track down every type of job posting that would interest them.

EducationCrossing is a unique job board—bringing together jobs from employer websites and job boards, rather than traditional job boards which rely on employers to post jobs. It presents jobs gathered from employer websites, printed newspapers and ads, and other online resources. In addition, EducationCrossing does not charge employers to post jobs on the site, an advantage that increases job selection significantly.

The job board costs users \$29.95 per month (with a free seven-day trial before the fee takes effect), which also provides access to more than 25 of EmploymentCrossing's other industry-specific job boards. Users who are still in school can also access the website for free. Students may obtain their school's promotion code from their career centers to sign up for their free accounts.

EducationCrossing also brings users the most pertinent news and discussion topics in the education field. Each week, articles are posted that address the industry's most current trends and happenings, as well as the job-search tactics of education professionals.
