

Healthcare Jobs Pay the Most; HealthcareCrossing Lists the Most

September 26, 2008

Pasadena, CA — [Healthcare jobs](#) pay the most of all the job types in Kansas, according to the latest report by the Kansas Department of Labor. Healthcare is one of the fastest growing industries in the nation, and HealthcareCrossing lists each and every [healthcare job opening](#) it can find on the Internet and elsewhere. The [healthcare job board](#) currently offers over 150,000 healthcare jobs, most of which are highly paid positions.

“The [healthcare industry](#) offers good salaries. According to the Medical Group Management Association, the median salary for physicians in 2005 was about \$200,000. Additionally, the Bureau of Labor Statistics reports that the healthcare industry will generate 3 million new wage and salary jobs between 2006 and 2016, more than any other industry,” says A. Harrison Barnes, CEO of HealthcareCrossing.

According to the 2008 Kansas Wage Survey, oral and maxillofacial surgeons are the highest-paid healthcare professionals in the state, earning \$98.66 per hour, which is \$12.87 higher than the national average for such surgeons. Orthodontists are the second highest-paid professionals, making \$98.61 an hour, followed by obstetricians and gynecologists (\$98.44/hour), other physicians and surgeons (\$91.05/hour), and anesthesiologists (\$88.40/hour). “Earnings for doctors are among the highest of any occupation. HealthcareCrossing lists about 2,000 healthcare jobs in the state of Kansas, most of which offer excellent packages,” adds Barnes.

HealthcareCrossing is poised to add each and every healthcare job opening to its site. The website added about 18,000 new healthcare jobs to its database in just the last week. These jobs have been collected from more than 8,000 job boards and 250,000 employer websites. “We aim to add more jobs from all possible sources, including all the hidden jobs,” adds Barnes.

The most searched for and highly paid healthcare jobs on HealthcareCrossing are:

- [Doctor jobs](#) (5,538)
- [Physician/surgeon jobs](#) (2,100)
- [Dentist jobs](#) (1,800)
- [Psychiatrist jobs](#) (1,000)
- [Internist jobs](#) (370)
- [Anesthesiologist jobs](#) (300)
- [Podiatrist jobs](#) (250)

HealthcareCrossing offers the largest collection of healthcare jobs, including jobs for physicians, dieticians, hospitalists, medical assistants, and nurses, all in one place. HealthcareCrossing consolidates the job-search process by combining thousands of available healthcare jobs into a single easy-to-search database. This allows users to access a widespread variety of available healthcare jobs with thousands of healthcare employers.

Press Release

Unlike other job-search and career sites, HealthcareCrossing weeds out spam and jobs outside one's niche, allowing job seekers to search efficiently and specifically. HealthcareCrossing also allows employers/recruiters to post jobs for free on the site.
