## **HospitalityCrossing Now Offers More Jobs than Ever Before**

February 11, 2008

Pasadena, CA — HospitalityCrossing, the Internet's smartest and most effective hospitality job board, now offers its users more jobs than ever before, making it the Internet's leading site for finding the best jobs in the hospitality industry. With hundreds of new jobs added every week, HospitalityCrossing is the unbeatable source for matching personal goals with the best opportunities on the market.

HospitalityCrossing is a unique job board that brings together jobs from employer websites and job boards, unlike traditional job boards which rely on employers to post jobs. It presents jobs gathered from employer websites, printed newspapers and ads, and other online resources. In addition, HospitalityCrossing does not charge employers to post jobs on the site, an advantage that increases its job selection significantly.

HospitalityCrossing membership costs users \$29.95 per month (with a free seven-day trial before the fee takes effect), which also provides access to more than 30 of EmploymentCrossing's other industry-specific job boards. Users who are still in school can also access the website for free. Students may obtain their schools' promotion codes from their career centers to sign up for their free trials.

Additionally, HospitalityCrossing brings users the most pertinent news and discussion topics in the hospitality field. Each week, articles are posted that address the industry's most current trends and happenings, as well as the job-search tactics of hospitality professionals.
