THE LARGEST COLLECTION OF MANAGER JOBS ON EARTH

## ManagerCrossing is a Pro Job Seeker Job Board!

August 2, 2007

Pasadena, CA—Joining ManagerCrossing is like reviewing the websites of virtually every employer with managerial openings and subscribing to hundreds of trade publications and thousands of newspapers. ManagerCrossing does not charge employers to post jobs. The site displays every single managerial job opening in the market.

With ManagerCrossing's staff of hundreds of highly experienced researchers extensively monitoring the hiring needs of more than 250,000 employers across the country, countless new jobs are added to the site every day. And since the jobs listed on the site are specific to the managerial industry, job seekers can enjoy faster, more targeted job-search experiences.

ManagerCrossing's homepage always lists the number of jobs the site posts each week along with a running total of job listings. The team works tirelessly to ensure that only the most current jobs are posted to the site every day. This week, ManagerCrossing added more than 2,600 new managerial job openings.

In addition to providing an extensive range of job listings including exclusive notices not posted to other employment sites, ManagerCrossing features a variety of articles that tap into the managerial industry's key players, companies, and stories.

This week, ManagerCrossing's featured articles section points out six action items for young people thinking about careers in management. The other featured article talks about hiring the right people with appropriate business talents to accelerate profitable growth for organizations.

This exciting website is affiliated with EmploymentCrossing ([www.employmentcrossing.com](http://www.employmentcrossing.com)), the main hub for a growing family of industry-specific job-search sites that launched on April 9, 2007. Currently, job seekers can visit EmploymentCrossing to sign up for ManagerCrossing's services.

The EmploymentCrossing group of websites is on the fast track to expansion with more Crossing sites launching weekly. The site will focus exclusively on providing the most extensive range of available jobs from every corner of every sector. THE LARGEST COLLECTION OF MANAGER JOBS ON EARTH

The development of the Crossing employment sites has been inspired by the success of LawCrossing ([www.lawcrossing.com](http://www.lawcrossing.com)), which features the largest collection of active legal jobs in the world including more than 10,000 positions at top law firms, corporations, public-interest organizations, and government offices throughout the U.S. Since its launch in July 2003, LawCrossing has become the world's largest legal-career-placement website. The site is another brainchild of EmploymentCrossing founder A. Harrison Barnes, who also founded the hugely successful parent company of the Crossing employment sites, Juriscape, in 2000.
