

100,000 Jobs and Growing on ManagerCrossing

March 3, 2008

Pasadena, CA — In just one month, ManagerCrossing's collection of job listings has skyrocketed from 60,000 jobs to more than 114,000 jobs, making ManagerCrossing (www.ManagerCrossing.com) the fastest growing managerial-job-search site in the world.

According to CEO A. Harrison Barnes, "ManagerCrossing isn't only growing faster by the month but *by the week* as well. We are, after all, determined to find each and every manager job out there. This kind of growth should only prove to users that ManagerCrossing is the place to come to find their dream jobs."

And, as Barnes mentioned, ManagerCrossing is not only growing by the month but also by the week. Just last week, over 15,000 new jobs were added to the site, including positions for accounting supervisors, audit managers, controllers, directors of purchasing, and many, many more. With this kind of growth, members of the site can feel confident when perusing the extensive database of manager jobs. Can't find a job today? Come back again soon — the job you're looking for could be added at any moment.

While the site typically costs \$29.95 per month, sign-up is currently free for seven full days. With this free seven-day trial, users can view not only all the jobs on ManagerCrossing but all the jobs listed on EmploymentCrossing as well — that's over 1 million jobs!

The inspiration behind it all has been the tremendous success of LawCrossing (www.lawcrossing.com), which features the largest collection of active legal jobs in the world, including more than 100,000 positions at top law firms, corporations, public interest organizations, and government offices throughout the U.S.

Since its launch in July 2003, LawCrossing has become the world's largest legal-career-placement website. The site is another brainchild of Barnes, who, in 2000, founded EmploymentScape, the hugely successful parent company of LawCrossing. LawCrossing's team of more than 300 staff members monitors the hiring needs of more than 250,000 legal employers throughout the U.S. and worldwide. LawCrossing counts tens of thousands of law students, attorneys, and legal staff professionals as members.
