

## Booming Job Growth at PharmaceuticalCrossing

January 28, 2008

Pasadena, CA—Since its debut in August 2007, PharmaceuticalCrossing has been a highly effective job-board site, providing viewers with a wide range of pharmaceutical jobs from all over the world. And the numbers say it all — in recent days, PharmaceuticalCrossing surpassed a total of 6,000 job postings; that's 6,000 pharmaceutical jobs to help viewers find not only the best job out there, but their *dream* job as well.

“Since PharmaceuticalCrossing hit 6,000 jobs, I’m confident now more than ever that viewers will not only find their dream jobs here, but they’ll find numerous dream jobs to choose from,” says CEO A. Harrison Barnes.

In just one week, over 1,000 new jobs were added to the site, including positions for pharmaceutical sales reps, clinical pharmacy specialists, pharmacy technicians, pharmacists, and many, many more!

The inspiration behind it all comes from the development and success of LawCrossing ([www.lawcrossing.com](http://www.lawcrossing.com)), which features the largest collection of active legal jobs in the world, including more than 10,000 positions at top law firms, corporations, public interest organizations, and government offices throughout the U.S.

Since its launch in July 2003, LawCrossing has become the world’s largest legal-career-placement website. The site is a brainchild of CEO A. Harrison Barnes, who, in 2000, founded EmploymentScape, the hugely successful parent company of LawCrossing. LawCrossing’s team of more than 300 staff members monitors the hiring needs of more than 250,000 legal employers throughout the U.S. and worldwide. LawCrossing counts tens of thousands of law students, attorneys, and legal staff professionals as members.
