RecruitingCrossing, a Cutting-Edge Recruiting Job-Opening Research Institution, Launches with 10,000 Recruiting Jobs

April 21, 2008

Pasadena, CA — With recruiting job growth rising and speculation that it will continue for the next decade, RecruitingCrossing (www.recruitingcrossing.com), an affiliate of EmploymentCrossing, the fastest-growing job-opening website, has launched with approximately 10,000 recruiting jobs.

“Unemployment in the US is rising, so the recruiting business is strong. RecruitingCrossing is working to gather and grow a current and wide selection of recruiter jobs for users,” says CEO A. Harrison Barnes.

According to the [Bureau of Labor Statistics](http://www.bls.gov/news.release/empsit.nr0.htm) [http://www.bls.gov/news.release/empsit.nr0.htm], the unemployment rate jumped from 4.8% to 5.1% last month, which means that recruiting jobs should increase. The [US Department of Labor Bureau of Labor Statistics' Occupational Outlook Handbook](http://www.bls.gov/oco/ocos021.htm) [http://www.bls.gov/oco/ocos021.htm] reports that employment in the recruiting business should grow 17% within the next eight years, which is higher than the average projected rate for most occupations.

“There are a myriad of recruiting jobs online, and it takes a highly trained team of 500 researchers and advanced artificial intelligence to locate, sort, and post these jobs that recruiting people want to see. That’s what we do at RecruitingCrossing,” explains Barnes.

RecruitingCrossing’s team of 500-plus researchers searches thousands of print and online resources and even more employer career webpages — approximately 250,000 — constantly adding to and updating its comprehensive selection of recruiting jobs.

This groundbreaking recruiting job website is affiliated with [EmploymentCrossing](http://www.employmentcrossing.com/) [http://www.employmentcrossing.com/], the main hub for a growing family of industry-specific job-search sites. Currently, job seekers can visit EmploymentCrossing to sign up for RecruitingCrossing’s services.
