THE LARGEST COLLECTION OF RETAIL JOBS ON EARTH

Booming Job Growth at RetailCrossing

January 28, 2008

Pasadena, CA — Since its debut in June 2007, RetailCrossing (www.retailcrossing.com) has been a highly effective job-search site providing users with a wide range of retail jobs from all over the world. And the numbers say it all — in recent days RetailCrossing surpassed a total of 10,000 job postings; that's 10,000 retail jobs to help users find not only the best jobs for them but also their *dream* jobs.

“With more than 10,000 retail jobs appearing on RetailCrossing, I'm confident now more than ever that users will not only find their dream jobs here, but they'll find numerous dream jobs to choose from,” said CEO A. Harrison Barnes.

In just one week more than 1,000 new jobs were added to the site, including positions for store managers, assistant retail managers, department managers, retail merchandiser specialists, produce clerks, and many, many more! Viewers can also easily locate jobs in their own cities by using the job map on the homepage. Already, there are 936 jobs in California, 737 jobs in Texas, 635 jobs in New York, and 441 in Illinois.

The inspiration behind it all comes from the development and success of LawCrossing (www.lawcrossing.com), which features the largest collection of active legal jobs in the world, including more than 10,000 positions at top law firms, corporations, public interest organizations, and government offices throughout the U.S.

Since its launch in July 2003, LawCrossing has become the world's largest legal career-placement website. The site is a brainchild of CEO A. Harrison Barnes, who in 2000 founded EmploymentScape, the hugely successful parent company of LawCrossing. LawCrossing's team of more than 300 staff members monitors the hiring needs of more than 250,000 legal employers throughout the U.S. and worldwide. LawCrossing counts tens of thousands of law students, attorneys, and legal staff professionals as members.
