

RETAILCROSSING™
THE LARGEST COLLECTION OF RETAIL JOBS ON EARTH

More than 19,000 Jobs on RetailCrossing

February 25, 2008

Pasadena, CA — In just one month, RetailCrossing's collection of job listings has skyrocketed from 10,000 jobs to more than 19,000 jobs, making RetailCrossing (www.retailcrossing.com) the fastest-growing retail job-search site in the world.

"This kind of growth should only prove to users that RetailCrossing is the place to come to find their dream retail job," said CEO A. Harrison Barnes. "And we're not only growing faster by the month but by the week as well. We are, after all, determined to find each and every retail job out there."

And, as Barnes mentioned, RetailCrossing is not only growing monthly but *weekly* as well. Just last week, over 3,000 new jobs were added to the site, including positions for retail salespeople, assistant store managers, automotive shop managers, retail store managers, showroom managers, and many, many more. With this kind of growth, members of the site should feel confident when perusing the extensive database of retail jobs. Can't find a job today? Come back again soon — thousands of new jobs will have been added in the meantime.

The inspiration behind it all comes from the development and success of LawCrossing (www.lawcrossing.com), which features the largest collection of active legal jobs in the world, including more than 100,000 positions at top law firms, corporations, public interest organizations, and government offices throughout the U.S.

Since its launch in July 2003, LawCrossing has become the world's largest legal career-placement website. The site is a brainchild of CEO A. Harrison Barnes, who in 2000 founded EmploymentScape, the hugely successful parent company of LawCrossing. LawCrossing's team of more than 300 staff members monitors the hiring needs of more than 250,000 legal employers throughout the U.S. and worldwide. LawCrossing counts tens of thousands of law students, attorneys, and legal staff professionals as members.
