

## Truckers Are on the Road a Lot, but the Benefits Are Good

Thinking of finding a new career? If so, you should definitely give truck-driver jobs some consideration. You will find that there are more benefits than you probably think there are to finding trucking company jobs today. With a minimal amount of training, you can be on your way to a new career—one that comes with many great benefits. Wondering what a few of the benefits may be? Well, here are some of the top benefits you will be able to enjoy if you decide to go with a career in the trucking industry today.

### Benefit #1—Great Job Security

You will definitely find that there is great job security as a trucker, whether you go with [trucking company jobs](#) or [independent trucking jobs](#). The need for truckers is always on the rise, and once you have several years of driving experience, you are invaluable as a driver. The job market is also projected to grow in the next several years, which means that this industry is wide open for people who would like to change careers and get a start in the trucking industry.

### Benefit #2—Excellent Salary, Even for Beginners

Another one of the best benefits of [truck drivers jobs](#) are that they pay excellent salary. Even beginners usually start out making more than \$30,000 a year. Those who actually have a few years of experience can go on to make \$100,000 a year and even more, depending on who they are working for and what they are hauling. So, the salary definitely makes a job as a trucker look attractive, even though it does require quite a bit of time out there on the road.

### Benefit #3—Traveling the Country

Traveling the country is a great benefit as well, if you enjoy traveling. You get the opportunity to visit places that you may never have gone to if you were not employed as a truck driver. Sure, this means time away from home, but it definitely is thrilling to be able to drive across the country and see some of the amazing vistas and unique and interesting historical sites. For those who love to travel, this is definitely a great job. You get a change of scenery all the time. You will find that there is a huge amount of beautiful scenery you can see along the way to your destination.

### Benefit #4—Excellent Benefits

The benefits are great as well when you take trucking company jobs. Independent trucking jobs do not always provide as great of benefits, but if you get in with a great company, you can get some wonderful benefits. Most companies offer their employees medical insurance, vision, dental, and prescription coverage, retirement plans, and even

life insurance. In many cases, truckers often get paid holidays and some even get paid vacations as well.

### Benefit #5—Driver Comfort

Today more than ever before, if you take truck-driver jobs, you will find that driver comfort is a priority. Most drivers get excellent equipment to drive, and it is usually equipped with a great ride. Often you will find that there is a sleeper included, excellent seats, a bed, television, and so much more. Just about anything you can think of that will bring you comfort can be put in your truck these days.

### Benefit #6—Flexible Hours

You will also find that flexible hours are a great benefit for truckers as well. You do not just work nine-to-five jobs. Usually you can decide when you want to haul and how long you want to be gone. You can work many hours per week if you want to, and you can choose whether you want jobs that have you driving in the day or night in many cases.

### Benefit #7—Ability to Take the Family Along

Believe it or not, especially if you go with independent trucking jobs, you often get the ability to take your family along with you when you go out on the road. Some drivers even team up with their spouse to make even more money out there on the road, taking the kids along with them too. Most jobs do not offer you this option, so it definitely is a positive option to consider.

### Benefit #8—Possible Bonuses

Last of all, you will find that there is the possibility you will get a bonus when you perform well. If you carry certain types of loads or you go a long distance, you may receive a bonus. Also, you will find that safety or even being with the company for a long run can lead to getting a bonus. The bonuses are great and definitely complement the money that you are already making.

These are just a few of the great benefits that can come with truck drivers jobs. Sure, you do make some sacrifices as well,

## Trucking Career Feature

but all around it is definitely not a bad job. With the high demand for drivers and the excellent pay that companies are

offering today, it is a great way to start off a new career in order to get the money that you need.
